United Methodist Church Newsletter

January 2019

stpaulneunitedmethodistchurch.com

As we begin a new year, with all of those New Year Resolutions that we make, I thought this article from Connexus Church might be beneficial to all of us. It comes from the administrative assistant to Pastor Carey Nieuwhof, Sarah Piercy as she thought about the importance of regular worship. Happy reading and Happy New Year!

Grace and peace,
Pastor Russ

I thought missing a Sunday morning service wasn't a big deal. I have worked at Connexus Church for 8 years and would only miss a Sunday because I was away on vacation. Quite honestly, I didn't think missing a Sunday was a big deal. It's not a sin. It's not earth-shattering. No one notices (or do they?). Right? Then I had a baby and went on maternity leave. And I started to participate in our church community like most people do. And everything changed. Because, when I miss a Sunday service, I miss way more than I ever thought. From birthday parties to a sick baby, a variety of reasons had kept me from participating on Sunday mornings. I would watch online. And online is great to keep me connected when I can't be there in person. Or to share with friends and neighbors who are curious about church but not ready to come. So easy! But – given the choice – attending on Sunday morning trumps all else. Every time. Why?

When I skip Sunday morning...

1. I MISS UNINTERRUPTED TIME TO LISTEN FOR GOD'S WISDOM

Sunday's practical teaching translates into godly wisdom that I can apply daily life – it is so valuable. Sure, you can hear great teaching in a variety of ways. But listening online is different than listening in the service.

I don't know about you, but when I listen at home I have a long to-do list. A child that loves attention. A phone that rings. Floors to sweep. Laundry to fold. Neighbors' dogs barking. I almost never absorb the message in the same way as I do when physically present on Sunday.

When I'm in the service, I have uninterrupted time. Time to focus on what God is teaching me and reflect on how He wants me to grow. My child is being cared for, my phone is on silent, and there are no chores waiting for me. I can focus. I can engage my heart and mind.

2. I MISS THE VALUE OF WORSHIPING GOD THROUGH MUSIC WITH OTHERS

This one is interesting. And might even be surprising to you. There's something intangible that happens when we worship God – out loud – with hundreds of people who share faith in Jesus.

(Continued onto next page).

(continued from previous page)

Sundays are an irreplaceable opportunity to take a step back from the busy day-to-day and directly praise the God that loves me and is incredibly worthy of my worship. Music roots my heart and mind in the truth of who God is. It remembers and celebrates powerful scripture. It leads me to humble myself before God's majesty in a way that doesn't always happen when music playing in the car or in the background while I do the dishes.

Worshiping God through music on Sunday's – with hundreds of people – grounds and fuels my faith. It inspires me to keep worshiping, keep believing, keep serving, keep loving.

3. I MISS THE POWER AND MOVEMENT OF THE CHURCH

The Church has a mission and purpose. And every believer is part of it. We get to spread the amazing news that Jesus Christ loves you, died to forgive you, and he is alive, bringing new life to all who believe in him. What an incredible message to sit on.

We can be a Christian and not actively participate in the local Church. Our salvation is not dependent on that. It's dependent on Jesus. But there's more at stake than that... Imagine this: Your life is a babbling brook. It twists and turns and bubbles and splashes. It's beautiful. But has little strength. But, what happens when you cross paths with another brook. And another. And another? Something bigger starts to happen. Something one babbling brook can't do on its own. Momentum happens. Then power happens. Then Niagara falls happens! (Note: did you know Niagara falls generates enough energy to power almost 4 million homes? No babbling brook does that.)

In the same way, 100s (or 1000s) of people moving in the same God-given direction is POWERFUL. And it doesn't happen when we are disengaged. When I miss Sunday mornings, I miss how God is moving our church community to action. When I miss the host's welcome, connecting opportunities and the stories of God at work, I miss getting to be part of it because I don't know how. I don't want to miss being part of the power and movement of God's Church. Plus, if I'm not there, then how can I bring anyone with me? So – I do everything I can to attend a Sunday morning service. Because when I miss a Sunday, I miss way more than I ever thought. Will you make a commitment to Sunday morning's with me, too?

Commission on the Way Forward Study

As the United Methodist Church heads toward the special called General Conference in February 2019 to vote on A Way Forward, Pastor Russ will lead an eight-week study to help us, as individuals, become more informed about what is at stake in this debate over human sexuality within the United Methodist Church. This study will be using Wil Cantrell's book, *Unafraid and Unashamed: Facing the Future of United Methodism*. Cantrell approaches this "hot topic" in an unbiased fashion allowing the reader to come to their own understanding of God at work in our midst and how to be a faithful witness, in good Wesleyan fashion of "Doing no harm."

The class began on Wednesday, September 26, 2018 at 6:30 PM and will last approximately eight weeks depending upon participant involvement. For further questions regarding this study, please contact Pastor Russ.

A New Ministry—Healthy Congregations

Last summer, Diane Johnson, Mary Ann Rickertsen, and Carol Tjernagel attended an all day , three course certification training. This training provided skills and tools for planning and carrying out effective congregational health ministry work. Because of their initial efforts, our team met the requirements to receive a \$1,000.00 grant to plan, establish, and implement a Healthy Congregation Program for our church family. We have already received this money and are ready to got to work!!!

Every church and Community faces a unique mix of health needs. We will be attempting to find our congregation's greatest areas of need in the four dimensions of health: Physical, mental, spiritual, and social well being.

We will meet at the January Round Table meeting discussion to begin this exciting new ministry. If you have questions, ideas, suggestions, or simply want to know more about Healthy Congregations, please join us at this meeting. Thank you for your prayers as we embark on an exciting and challenging new adventure in sharing God's love.

We are starting a new prayer request list. If you would like your name added to this list, please let the church office know.

Thank you

Note: We can only publish prayer concerns with the permission of the people involved. Also, Pastor Russ often does not find out about hospitalizations. HIPPA regulations do not allow the hospital to call unless they are requested to do so. Please give him a call (Church 754-4247). if you or someone you know is in the hospital or desires a call. Thank you for your help.

Administrative Council Meeting December 17th, 2018

The regular meeting of the Administrative Council was led by Joe Swanson. Pastor Russ started us off with a prayer. Pastor also reviewed and discussed the reading for this last month from Fresh Expressions. The business meeting was called to order at 7:30 by Joe Swanson. In attendance were Pastor Russ Anderson, Joe Swanson, Jami Wemhoff, Dave Harrington, Buzz Todd, Tom Powell, Carol Tjernagel, Marlene Kremlacek, Becky Schwenk, Lynda Berggren, and Carrie Hancock. The November minutes were approved by Dave Harrington, seconded by Buzz Todd.

Pastor Russ: Pastor Russ brought up that Sams Club was needing a letter on letterhead from the church to remove Carol Phillips from it and add on Carrie Hancock in order to make purchases with the Sams credit card. Joe Swanson then signed the letter. Tom Powell made the motion to approve this and Carol Tjernagel seconded. Pastor let people know about an Omaha Vision Day on Saturday, February 2nd. This is an all day (9:30 am to 3:30 pm) Fresh Expressions retreat available free to all of those in the Great Plains conference. This is one way to look at different avenues we can bring the church into the community in a fresh and creative way. If interested, you can register on the Great Plains Conference website or go to FreshExpressionsus.org and look up Events-Vision Day-Omaha. On January 8th at 7:00 pm (this has been changed to 6:30 pm) there will be a Roundtable meeting in which all the committees will meet. Each committee will individually talk about their plans for 2019 and then we will all meet together to plan out the year and if we need to help each other out. This will be a potluck or bring a snack/fingerfood meeting.

Treasurer: Tom Powell reported our Operating Checking account was \$12, Resources Available \$41,822, Giving \$17,790, Total Income \$16,960 Current Month Gain/(Loss) \$6,678, Year to date Gain/(Loss) (\$5,025). The Treasurer's report was approved by Dave Harrington and seconded by Joe Swanson.

Finance: Dave Harrington reported that something is still needing to be done with the Healthy Congregation Grant the church has received. Nothing was decided at this time, but it was mentioned that maybe this could be used to help get the church out into the community, maybe by way of a webcam or something similar. Soup Supper has been planned for Wednesday, January 23rd, from 5-7 pm or until they run out. We discussed maybe doing a Bake Sale at the same time. Dave Harrington will be the contact for the Soup supper. A Golf Tournament date still needs to be set. Dave Harrington and

Tom Powell will be in charge of this. We talked about how the special offerings are needing to be communicated more specifically as a special offering, so these go to the right place, to Topeka. We thought when the offering email gets sent after each Sunday by the Finance Secretary that was received that it needs to be specified as to what sort of offering and that it needs to go to Topeka. Dave H. requested that he also see these emails to help catch these offerings. Carrie will email these to him, and ask the new Financial Secretary in 2019 to add him to email in the future.

SPPRC: No Report

Education/Outreach: Jami reported that Sunday School would be taking the next couple of weeks off, to resume on January 6th (this has changed to Sunday School on the 23rd, off Dec. 30th, and resume January 6th). Also, thinking ahead, January 21st there is no school, so maybe we could think of some kind of outreach for the Youth Group to do on this day. The idea of them going to the bowling alley came up, for pizza and bowling. And to bring some friends!

Worship: The decorations from Advent/Christmas will need to come down the week after January 6th.

Memorial: The breakdown of the Memorial Fund still needs to match up with the actual numbers. This will be continued to be worked on. Marlene mentioned that the Memorial Committee will need another member for the upcoming year. Pastor said he will look into this.

Trustees: Buzz brought up the signage out at the northwest edge of town. He will work on reframing it as the frame is falling apart. We received a permit update for this sign and it will be filed. Dave Harrington suggested looking into upgrading our heating system. The older heaters that are in the wings of the church are as old as the church. Buzz will work on getting estimates on these two. We added a note to the dishwasher to please check to make sure there is soap/rinse aid and that the hoses are actually in the bottles to enable the machine to use it when it runs.

UMW: They had 16 ladies present at their last meeting. They did installations for new officers for the new year. They gave money to 5 different agencies, adopted a family through Epworth Village and bought a car seat. They also had their Christmas party.

UMM: No report

Office: No report

Open Discussion: A thank you to Joe Swanson for fixing the motion light on the southeast side of the building! Dave H. said he'd like to send the pledge cards from Consecration Sunday back to people with their End of the Year Giving statements. Pastor said he would also like to send a letter along with these. **Meeting adjourned** at 8:10 pm. Pastor closed with a prayer. Dave Harrington moved to close, Tom Powell seconded. Next meeting scheduled as a Round Table meeting on January 8th at 7:00 pm. (This has since been changed)

The Nebraska United Methodist Foundation

Committee Members,

I want to take the time to thank those of you who went off committees and ministry teams at the end of the year, December 31, 2018, for your dedication and service to the church. I also thank those of you who agreed to serve on a committee or ministry team beginning January 1, 2019. Serving on a ministry team or chairing a committee/ministry team is often times hard work and requires giving of your time and God given gifts and graces. It always calls for extra time away from home when all you would rather do is be at home getting your chores and tasks done, or just relaxing. It also requires getting involved in the life of the church, sometimes more than you want too, seeing the inner workings of the church – the good, the bad, and the ugly – so to speak. But serving on a committee and/or ministry team is also rewarding. It is a great and influential way to serve Christ through the church. Therefore, I thank those of you going off and those of you coming on. I thank you for sharing your gifts and graces with the church and blessing us all through your commitment and care.

Those going off of committees and ministry teams at the end of 2018 were: Don Lukasiewicz and Doug Voigt from the SPPRC; Janet Thomsen as chair of Trustees; Brad Wells as Financial Secretary; Ashley Meyer and Mary Ann Rickertsen from Lay Leadership(Nominations); Timmery Parr from Mission/Outreach.

Those coming on a committee and/or ministry team January 1, 2019 are: Deidre Hurlburt and Brian Clymer – SPPRC; Regan Clymer and Kenton Meyer, and Brenda Starkey and Buzz Todd who will serve as Co-Chairs – Trustees; Francine Rasmussen as Financial Secretary; Dawn Meyer and Terri Alberts – Finance; Darla Voigt and Diane Johnson – Worship; Doug Voigt and Ursula Sorlie – Education; Nancy Harrington as chairperson and Connie Snow – Mission/Outreach; Mikeleh Esquiten and Kori Johnson – Lay Leadership(Nominations).

Thank you all for your service to Christ through the St Paul United Methodist Church. Together we make a difference for Christ in our church, our community, and our world.

Grace and peace,
Pastor Russ

United Methodist Church Prayer Chain

The purpose of the prayer chain is to offer special prayers for individuals in critical need. The chain cannot be activated without the permission of the family in need. Call prayer requests to the church office 754-4247. The prayer request will be called to the first person on these lists. Each caller then calls the next person on the list. If that person is unavailable, a call should be placed to the following name and contact made with the first party later in the day. Last name on list does not call anyone. We are in need of more people joining the prayer chain.

Praying for each other is an important ministry that we can do for our church family. If you would be
